

If you
try to make
this hold, then
my mail order
should be abandoned?
then where would we all be?

I am very
mad and
upset over this.

Docket No. 98N-1265

Food and Drug Administration APR -6 A 9:50

I **OPPOSE** THE DRAFT **M.O.U.** being proposed by the FDA. In particular,
I **OBJECT** to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS:

Where is Freedom? I wish
to obtain my prescription - to relieve
my symptoms and make it possible for me
to live normally each month! My doctor
writes & orders the prescription! Who are
you to say I can't order it from another
State if my doctor & I approve -
and I order it and pay for it?

Freedom? Democracy? Who are

you trying to help get richer?

98N-1265
My right is mine and if I
Choose to get a prescription from another
State - because its not in the state I live in

Please fold, seal, and mail by March 22

why should you even try to question it or
get involved? Are you going to make it possible
for me to get the same prescription in my State?
